Homework help will be offered from 3:30 pm until 5:00 pm at both Teen R.E.A.C.H. I and Teen R.E.A.C.H. II during the 2005-2006 school year. It is not mandatory that youth participate in homework unless specified by a parent/guardian or teacher using this form. One reminder is that Teen R.E.A.C.H. offers homework help but we cannot offer individual tutoring services. Also, Teen R.E.A.C.H. staff cannot be responsible for checking each child's book bag to see if they have homework. Staff will assure that youth are in the homework room during the times specified below, but it is up to the child to make sure they are doing the homework that has been assigned to them. Once the scheduled homework time has elapsed, other activities will resume in the designated homework rooms. Youth will still have the freedom to work on their homework, but staff will move on to supervising other activities.
